u Mrs Bement,

re your letter to the Editor of Limerick  
ader of 9th April, seeking information about the  
ick, Dohy (Dohy) and Shoemaker Palatine  
inches

My mother was a direct descendant of  
John Wick mentioned as having been born  
out 1730. According to the family  
records in my possession there was also a  
Wick who was born in Germany in

1686 whose name appears in the Census of  
Palatines encamped in London in 1709 and  
who subsequently settled in Co. Limerick  
also my mother's mother was born Dorothy  
Dohy.

Perhaps you might wish to correspond with  
me if you desire further information about the  
Wick Dohy and Shoemaker families.

Peter Wick married Elizabeth Shoemaker

on 29 December 1804. Catherine Pifer  
(an ancestor of my husband) married Daniel  
Shoemaker in 1771.

Yours sincerely

(Mrs) Rhoda Smyth
