This year we celebrate 150 years of the Micks settling in Canada. Children's games were held outside, initiated by Jennie Mick and Faye Mick-Johnston. A lovely lunch of salads, chicken, buns, drinks, cake and ice cream was enjoyed by all. There was a 50-50 draw and Guess the Jube-Jube contest. Entertainment was provided by "Just for You". Brianna Corkum from Prince Edward Island traveled the farthest. Emma Wilson from New Liskeard had the birthday closest to the reunion. Ryan Gilmer from Iroquois, received a prize for entering Jr. Kindergarten. June (Mick) and Ed Cowan received a prize for the couple who was the longest married (55 years). Shawna (Mick) and J.T. Enright received a prize for the most recently married. Patsy Bettes from St. Catherines had the marked cup. Ryan Gilmer from Iroquois had the marked chair.

Congratulations were received from Hec and Debbie Clouthier (Federal MP) for celebrating a long tradition of Micks in the area.

On Sunday, a service was held at the Micksburg United Church at the Champlain Trail Museum in Pembroke, Ontario. The church was moved there and restored to become part of the museum. A tour of the museum was available as well, and a picnic followed. The last couple to be married in the Micksburg United Church, in Micksburg was Gary and Faye (Mick) Johnston, in March 1985. Rev.
