MINUTES FOR MICK REUNION 2014

p. 2 of 2

Isabella and Meredith Enright stepdanced and their sister Rachel Enright sang some Irish songs. Ethel Kuehl accompanied her on the piano. Lorne Monahan gave an update on the website. It costs about \$700 for the upkeep. A lengthy update was mailed and/or emailed out to all of the members prior to the Reunion (see minutes binder) and can be found on the website. Paul Anderson was also present and gathered more info and updates from family members for the family tree and history. Everyone was encouraged to continue providing information to ensure that the website and family tree. Faye also asked that people provide updated email addresses to reduce the hard copy mailout.

Dwight Mick talked about his DNA testing and some of the descendants on his line both on his mother's side (Eileen Black) and on his father's side (Stafford Mick).

George
